Tuition and Reading Materials

Tuition is \$530; enclose a check with this enrollment form or submit a credit card payment in person or by phone to the Weld County Extension Office.

Reading Materials - Download the written class materials and handouts from the Colorado Master Gardener website: www.cmg.colostate.edu/GardenNotesUpdate.shtml

These materials, once downloaded to a laptop or tablet, do not need an internet connection to access during class. However, you can print the materials if you wish. Please note that the training manual is several hundred pages and will require a 3 inch 3-ring binder.

Cost to apply as a Colorado Gardener Certificate student is \$530; enclose check with registration form. There is no volunteer requirement for completion of the Colorado Garden Certificate.

Make check payable to: Weld County Extension Office

Class size is limited on a first come (and paid) basis.

The *Colorado Gardener Certificate* may be displayed in a place of business and the title may be used in business marketing.
