Section 7 – CMG Volunteer Agreement

The intent of the following *Volunteer Code of Conduct* is to clarify relationships between the *Colorado Master Gardener Volunteer* and the Colorado Master Gardener Program of Colorado State University Extension. CSU Extension values the service of CMG volunteers and commits to do our best to make the volunteer service a productive and rewarding experience.

In applying to become a Colorado Master Gardener Volunteer:

- I understand that the decision to accept me or not accept me as a volunteer is the right of Colorado State University Extension. I understand, that in many counties, more individuals apply than the program can accommodate.
- I understand my acceptance into the Colorado Master Gardener Program commits me to 1) the Colorado Master Gardener Training, and 2) fifty hours minimum community volunteer service in the CMG program during the CMG activity year (ending October 31st, 2018).
- If I do not complete the 50 hours minimum volunteer service by October 31, 2018, I agree to reimburse Colorado State University Extension for the course work at the rate of \$15 per each uncompleted hour, to a maximum of \$500.
- I understand that Colorado State University conducts background checks on all volunteers. A criminal record will not necessarily bar me as a volunteer, but will be considered as it relates to the specifics of the

volunteer work. I understand that if I do not respond to the inquiry regarding background checks, my application will not be processed.

- I understand that volunteering for an organization is a privilege, not a right. If selected as a volunteer, I understand that I serve at the request of Colorado State University Extension and that the request can be withdrawn at any time.

In the capacity of a *CMG Volunteer*:

- I agree to cooperate with and support the local Extension Office staff and volunteers to jointly further the missions and objectives of Colorado State University Extension and the CMG Program which are found here: <http://www.ext.colostate.edu/mg/Gardennotes/014.html>
- I agree to comply with training, reporting, certification, annual renewal requirements and other program directives as delineated in CMG GardenNotes #014, *The Colorado Master Gardener Program*, available at <http://www.ext.colostate.edu/mg/Gardennotes/014.html> I understand this includes 24 hours minimum of approved volunteer service and 12 hours minimum of approved continuing education annually (unless special arrangements have been made, in advance, for *limited activity/inactive status*).
- I understand that the title “*Colorado Master Gardener*” may be used *only* in conjunction with official Colorado State University Extension activities. The title may not be used to build my personal credentials in a non-Extension activity. The title may not be used to associate the Colorado Master Gardener name with commercial products or give implied endorsements of any product or place of business.
- I agree to disseminate information without regard to race, age, color, religion, national origin or ancestry, sex, gender, disability, veteran status, genetic information, sexual orientation, or gender identity or expression.
- I agree to follow federal, state, county, Colorado State University and Extension

Office policies and regulations appropriate to my role as a volunteer (for example, comply with copyright law).

- I agree to provide research-based horticultural information endorsed and sanctioned by Colorado State University Extension or other research-based institutions.
- I understand the audience for CMG volunteers is non-commercial home gardeners. I understand that as a Colorado Master Gardener Volunteer it is not my role to advise commercial growers or green industry professionals; but rather to refer commercial clients to the appropriate agents.
- I understand that as a CMG volunteer, I may not give advice that would be considered by the client as legal or medical in nature. I understand that as a CMG volunteer, I do not discuss the following issues: hazard trees (potential tree failure concerns), poisonous plants and mushrooms, medical use of herbs (including growing and use of marijuana), pesticide toxicity, and the misuse of pesticides.
- In relation to pest management, I understand that it is the role of the CMG Program to provide clients with appropriate non-chemical and chemical alternatives; allowing the client to select methods in harmony with their values. Any reference to pesticide use must come directly from Extension print materials. All inquiries beyond the scope of Extension print materials will be referred to the Extension Agent. I understand that I do not discuss or make comments about the toxicity of organic or synthetic pesticides. Any inquiry about pesticide toxicity will be referred to the *National Pesticide Information Center*, found here: : <http://npic.orst.edu/>
- While performing my volunteer duties, I may apply only over the counter, “general use” pesticides. I will read and follow all label directions.

- In support of the program operations, I agree to pay Annual CMG Fees, as assessed by the state and my local county program.
- I understand that the CMG email communication system (VMS) and membership lists are for internal business use only. I will not use it for commercial business or send spam type communications.
- As non-paid staff, I understand that I am not covered by CSU worker's compensation or other medical insurance.
- I understand that volunteering for an organization is a privilege, not a right. I understand that I serve at the request of

Colorado State University Extension and that the request can be withdrawn at any time.

I further understand that Colorado State University Extension will to the extent possible:
